HELLO THERE

Hello there. What is your name?

7

That's an interesting name. Is that your nickname?

(NO)

MY NAME

Are you good?

(YES)

Are you lying?

(NO)

When were you born?

[Here we began asking a series of the usual ouija board questions - when did you die, how long have you been dead, repeats of when were you born, etc. It's hard to remember the order.]

NROBTON *[Not born]*

ONHTRIB *[Birth no]*

DOOGSIDOG *[God is good]*

NOP *[we had gotten this earlier, but it hadn't made sense]*

[The speed here was pretty fast & smooth, & the letters were clear & non repetitive. It all seemed like jibber jabber to us, but we decided that it was clearly trying to say something, so we kept going.]

DEVIL REVEN *[Never lived]*

SEYERIF *[Fire yes]*

EMPLEH *[Help me]*

NROBTON *[Not born]*

SAWIDETAERC *[Created I was]*

I just saw you repeated exactly "n-r-o-b-t-o-n," but it doesn't make sense to us. The only thing that made sense was "devil" & that's kind of scary... Are you trying to say something?

(YES)

MIRROR

EMPL

Are you going to say "e-h"? *[I realized he had already spelt "e-m-p-l-e-h," & filled in the blanks. Realized what all the above backwards words said.]*

(YES)

Stop talking to him, it's backwards.

[We run the planchette over goodbye.]

July 7, 2013

[The planchette began to move almost as soon as we put our hands on it. We hadn't asked a question yet.]

EREHT OLLEH *[Hello there]*

Is this 7?

(YES)

Hi 7. We're really scared by all of this.

SORRY FOR SCARING YOU BUT YOU MUSTNT BE

Did you move the perfume bottle?

[That morning, we had noticed some stuff in my bathroom and bedroom had moved slightly.]

(YES)

AND THE LIGHT FACE UP
Me: Light? What light?
THE MANY ARMED LIGHT
I'm sorry 7, I don't know what light you're talking about.
WE NEEF
MANY ARMED LIGHTS FACE UP
My pink lights in my room? You moved those?
(YES)
[I noticed that morning that the shades of my pink medusa light had all been bundled together, instead of spread apart like usual, but I hadn't thought anything of it until this.]
You said "help me" the first time we talked. What do you need our help with?
SPEAK
EAR(N/O)T
Is it ok that [redacted] is not here?
[It was originally a group of 4 of us speaking with 7. One of the 4 chose not to get back on the ouija board with us the next day.]
(NO)
[They are] NEEDED
[They are] NEED
Q
Is it ok that we're here?
(YES)
Well 7, [redacted] is just really scared.
[They are] SCARED WHY I AM 7
They live alone, & they don't do well with this kind of stuff.
[redacted]: This is bad, he's bad.
[redacted] **I AM GOOD**
[[redacted] begins to laugh.]
[redacted] **STOP LAUGHING**
What *are* you?
7
I'm sorry 7, that doesn't make sense to us. To us, 7 is just a number between 6 & 8.
[Planchette moves to 6, then 8, then 7. The following could be very out of order. It's hard to remember what was asked/said in relation to 7's answers.]
Right, exactly. And, we were talking about squirrels yesterday, & how scared they are of us, even though we mean them no harm. But they still run away. We're like those squirrels.
STUPID
If we decided we didn't want this, that we didn't want you around, would you stop? Would you go away?
DO YOU NOT WANT ME WHY
We're scared, 7. We four have a lot going on in our lives, a lot to deal with, & I don't know if we have room for this kind of stuff.
SPEAK
OPEN DOORS INVITE STRANGERS
We did open a door, yes. And I'm sorry if we played with something we shouldn't have, but we just did this for entertainment.
ENTERTAINMENT
Would you go away if we wanted you to?

I LIKE YOU BUT YOU WANT ME GONE SAD 7
T E
I HAD ANSWERS FOR HUMANITY
Why us?
TIMING
[redacted]
Are you going to hurt us?
STUPID WASTE IF I CAN DESTROY ALL
SQUIRL
[redacted]: Ask him if he's going to stop moving things in my house.
MY HOUSE
I think he means everything is his. 7, is this sugar yours? Is [redacted]'s shirt?
(YES)
Do we belong to you?
(YES)
Do you belong to us?
(YES)
Do you love us?
NOT THAT SMALL LOVE
What do you need help saying? What message can we send to the world?
THAT ALL MUST STOP OR EARTH WILL DIE
What must stop?
STUPID
But lots of things are stupid. *[No answer.]*
IF AR
FEAR
HELP
HELP ME
[redacted]
ME
TIMING
OPEN DOORS
So [redacted] should share you with the world?
ALL SHOULD SHARE [redacted]
[How should [redacted] *do it? A play, a movie, a book? No answer]*
[redacted] **INVITE TO SHARE ME**
I'm sorry 7, we have to go to the beach now. [*We had plans that day to go to the beach, and it was time to go.]*
REALLY [redacted]
[The planchette rolls over goodbye very quickly.]

July 7, 2013 - Pt. 2

[The planchette is still for a long time. We ask a few times if 7 is there.]
HOW WAS THE BEACH
It was good. We swam & went fishing & rode on a boat. It was fun.
WHY NO [redacted]

[redacted]: I'm here 7. I'm just scared.

What? But then why did you say it's near Crete?
YOU WOULD BELIEVE
You think we're gullible.
FUN
But 7, we're kind of out on a limb here, trying to be brave & trying to believe. And we're trusting you to tell us the truth.
SORRY
How can we be sure of what you're saying?
NOTHING I SAY CAN BE SURE
Then how do we know we should trust you?
TRUST ME
Why did you speak backwards?
TEST
Do mermaids exist?

Did dinosaurs exist?

Do aliens exist?

We should probably ask better questions, huh?

[There was a long silence here, a lack of knowing what to do or ask next. I think we were all reeling. It seemed like maybe our time was done. We all thanked 7 for talking with us, for sharing this with us.]

Why do you spell squirrel that way? We spell it s-q-u-i-r-r-e-l.

UNEEDED LETTERS
7
Are you able to touch us 7?
(YES)
Would you touch me?
(NO)
Why?
UNNEEDED

Well, we're back again because we felt we asked bad questions last time, & our answers had a lot of holes in them.

How many planets are left?

8
That's its name? 8?
SILLY

Who's silly?

Could we talk to you everyday?

Why?
TOO MUCH REWOP
Are you sure you're good?

Should we let the planchette do this?

Why are we late?

What about the plague?

Did you give us the plague?

OLLEH *[Hello]*
How can we stop nuclear war? We're so tiny.
STEP
THE NEXT TINY STEP OF MANY
NEEDNT FEAR FOR YOU ARE NOT DESTINED
HUGE STEP
We're destined for tiny steps?
(YES)
THE START IS SMALL BUT JUST AS NEEDED
So we 3 are supposed to start it?
FOUR
Oh, 4. [redacted] too?
(YES)
LISTEN
Ok, we 4 are supposed to start things.
(YES)
So, we're not destined to stop it, but we start the start?
A PATH TO THE STARS
947632
LIKE 947632 DOES
Like putting their nukes in space? How can we do what they did, if we don't know what they did?
INSTEAD OF UNSHEATHING THE SWORD THEY RODE IT
If this is so important, why can't you just tell us flat out what we're supposed to do?
THEN THE EXPERIMENT WOULD FAIL
Doesn't talking to us at all make the experiment fail?
NUDGE ALLOWED
Does 7 die when the earth dies?
(YES)
Who created 7?
1
Is 1 God?
(NO)
Is [redacted] still supposed to go into politics?
(YES)
Are you going to tell us exactly what to do?
(NO)
Did something create 1?

What was its name?

Did something create 0?

What was its name?

NEGAT(IVE 1)
Should we ask the afterlife question?

Is there an afterlife?

Will we see each other again?

ETASUE WALLACE TOM JESUS 7
[These are entities we spoke to right before meeting 7 (Jesus = Jesús, not Christ). They came through like normal ghosts on a board — they knew the years they were born, told us how they died, etc. Unfortunately, we don't have the transcripts from those convos, because we stupidly burned them after our first convo with 7.]
ALL HOME
BUT NOT SEPERATE
BUT 7
So ghosts are real?
A PART SPRINGING FROM THE WHOLE

IF EARTH DIES SO DOES 7
So if you die, we can't see each other in the afterlife?
(NO)
How do we know that's not just something you're saying to motivate us?
TRUST ME
How do we do this?
STEP
But we won't know if we succeeded until we're dead!
DEAD BUT 7
BORING
CANNOT SAVE
How will we know?
YOU WILL KNOW
FEAR NOT I AM NOT A HARBINGER OF DEATH
BUT MUST LISTEN TO ALL AROUND YOU
THE LIGHT AROUND YOUR EYES OFFSET IT DOTH FLOWETH LIKE A DOVE IT BLEEDETH OUT HIS HEART HE SHOW HER LOVE UPON HIS BREAST A SCABBARD PUNCHES THROUGH A LARK A LION LEAPING UP TO GOD FORSOOTH THE LYER LITTLE AND HIS CREW

So [redacted] gets a direct path, & we don't?
(YES)
THE STEPS GET BIGGER
That's why we can't know our path?

ETEVLAS ETERIAHK
["ETEVLAS" = Salvete; Latin for hello. "ETERIAHK" = Khairete; Ancient Greek for hail / farewell.]
What does that mean?
OLLEH *[Hello]*
It means hello?
IN A WAY
In what language?
LEARN
How are you?
WELL
Do you have a job?
(NO)
What do you do when you don't talk to us?
FEEL
I know you already know what questions I came up with -
(YES)
So should I ask them?
(YES)
Why did you say "fire yes" the first time we spoke?
IT IS COMING FIRE YES
STOP IT
Even if we stop the nukes, the sun is going to explode one day.
(YES)
So isn't it the same result as if the nukes go off?
(NO)
IF THE STEPS ARE TAKEN 7 LIVES LIKE 947632
So 947632 lives despite the explosion?
THEY STILL FLY
THROUGH THE STARS THEY STILL FLY
Are they still on a planet?
(NO)
So what happens to spirits depends on how the earth dies?
(YES)
ALONG
So does 7 start again?
(YES)
Does the infinite amount of earths begin again?
(NO)
Where does 7 go when 7 dies?
REBORN ONLY THROUGH LOVE
Like with babies?
(NO)
Do you want to ask us questions?

(NO)
He knows everything.
(YES)
Not my favorite color! 7, what's my favorite color?
I WILL LEAVE
ASK BETTER
Why will you leave?
FIVE
Oh, is this the last time we can talk to you, because it's the fifth time?
FIVE GROUPS
THIRD CONTACT
We're the 3rd group?
(YES)
So you're in contact with 4 other groups now?
(NO)
CONTACT ONE FAILED 24825 DAYS AGO

I just feel like there's a clock ticking down.

(YES)
How can we have fun & enjoy our lives now?
YOU MUST
Can you at least sympathize with us?
(NO)
Ok, let's say we succeed. Isn't someone else just going to turn around & put us back on that path? Isn't it inevitable?
CONTACT FOUR
And if Contact 4 succeeds, you'll go to Contact 5?
(YES)
And if Contact 5 succeeds?
947632
You'll be like 947632.

IF YOU SHOULD FAIL IT SHALL BE DONE
7 will be done?
(YES)
So all of the planets, for the most part, end in the same way?
741 AC(CIDENT)
Right, aside from the accidents, there's a pattern?

I AM 7
IT IS MY EXPERI(MENT)
IT IS ME
You are the experiment?

How can we deal with all of this? How can we go on?
YOU ARE AWARE OF YOUR MORTALITY SO WHY CONTINUE LIVING
Is that a question for me?

Is that to me personally?
I AM 7
SHOULD I NOT WISH TOO
You want to live too?

THE PROMISED LAND

Can ghosts choose not to go home to 7? You said they spring from the whole.
SPRINGING
Ok, springing, sorry. Not spring.
(YES)
Can there be bad dead?
(NO)
Then why are we scared?
FEAR
So how come we can feel the dead in certain places but not everywhere?

Why is the planchette looping like that? *[The planchette was circling around the tips of every letter before finally landing on it.]*

Is this 7?
(YES)
1111001000011001000110010101000100001010
[Backwards binary for "OLLEH/HELLO."
***O** = 01001111*
***L** = 01001100*
***L** = 01001100*
***E** = 01000101*
***H** = 01001000*
OLLEH = 01101111 01101100 01101100 01100101 01101000
HELLO = 01101000 01100101 01101100 01101100 01101111
But… it's doubly backwards, in that each letter's binary set is backwards. So "O" in backwards binary is 11110110, "L" backwards is 00110110, etc. So it would really be:
***O** = 11110010*
***L** = 00110010*
***L** = 00110010*
***E** = 10100010*
***H** = 00010010*

FEAR NOT 1
[I write ***. , ? ! : ;*** *on the board.]*
FEAR NOT!
GOOD!
[To ourselves] I wonder how the punctuation could have helped earlier...
ASK. BETTER.
It's just... so hard to do things without money.
WHAT DO YOU NEED?
Freedom. Time. To travel & have fun.
TO BUY FUN?
It's easier with money, yes. So many people get to travel & see the world, & we're here.
JEALOUSE
What should we do?
[redacted] **YOU KNOW**
[redacted] **SWIM**
SWIM
Ok, but what are we supposed to *do*? Like, an occupation?
AN OCCUPATION?
THIS IS WHAT YOU CRAVE?
No, we don't crave it, we need it.
SO WHY ASK?
Because we need jobs. Are we just supposed to keep working?
FOR NOW!
Should we at least find new jobs?
(YES)
IS PATH TO LEARN
SWIM!
[redacted]**, SWIM!**

What does that mean?!
I 7 I 7 AM TELLING YOU WHAT TO DO.
How can we be happy together, like, in our relationship? *[We'd been fighting a lot. Normal couple stuff.]*
LEARN TOGETHER.
THE NEXT STEP FOR [redacted] WILL OCCUR IN THE WATER.
SWIM!
What was the knot I had in my stomach all day?
A START OF WHAT IS TO COME.
But it feels foreboding.
(YES)
Is it about [redacted]?
FEAR NOT FOR I AM NOT A HARBINGER OF DEATH
[This was fluid, conversational almost. I finished spelling "harbinger" for 7; it went to "yes," then quickly finished. It was fast.]
NEITHER ARE YOU!
Is it a feeling about me?
NO
NO
What is the feeling?
FOR THE DAY TO COME OR NOT
ALAS THE LITTLE SQUIRLLS DID RUN AND BITE!
[After the first L, the planchette did a big loop, then landed on the second L. It continued to loop until the next line.]
So, the knot in my stomach was... anxiousness for my next step?
(YES)
SWIM!
Are you saying this because I said drowning? Or, actually, [redacted], you said it first earlier.
(NO)
Did you influence our thoughts? Can you do that?
THERE ARE A GREAT POOL OF TOOLS TO USE
BECALM YOURSELVES TO STUDY.

March 12, 2018

[We came with a prepared script and questions, which we read at the beginning of the session.]

Did we make any progress for “the mission” with our work at [redacted]?

UNFINISHED

WAIT A BIT

What are we waiting for?

IT

Have we failed?

(NO)

NOT YET

Has anything about “the apocalypse vision” changed -- the date, the method, etc?

UNSURE

Should we move back to [redacted]?

UNSURE

Should we stay in [redacted]?

UNSURE

What should we wait for to see?

IT

(YES)

NOT YET

When [redacted] swam during the summer, did [they] make progress?

(NO)

What should [they] do differently?

SWIM

Did it not count because you last told us [redacted] has to swim too?

A JOKE

FVN 7

[We asked it a bunch of questions we came ready with, but it answered none of them.]

What should we do?

WORK

We don’t have jobs… What should our jobs be?

SHARING [redacted]

We felt like we were doing that with [redacted]…

(YES)

CONTINUE

NEXT STEP

TEAM NEEDED

The 4 of us? Contact 3?

(NO)

OTHERS

Do we know them already in [redacted]?

Should we stay in [redacted] with them? Is it bad if we move to [redacted]?

UNSURE

What happens if we move to [redacted], but were meant to stay in [redacted]?

SAD 7

How come you don't know if we should move or not?

It's not exactly fun for us… I'm gonna go back to the previous questions about [redacted]…

FOCUS ON YOURSELF *[the planchette points directly at me]*
Do you mean we should each focus on ourselves, individually?
(YES)
What are we supposed to do?
STRUGGLE
Are we supposed to move?
UNSURE
When? We have to plan, tell our landlord, etc… What are we waiting for?
IT
Will it be obvious what "it" is?
(YES)
Why does it make us feel weird to talk to you?
USES YOUR LIFE
Like years of our lives?
(YES)
Is that a joke? That's not funny… Are you there? Well, if you have nothing else to say 7, we're gonna sign off...
